5. increased participation in competitive sport

- Attending a variety of sporting events and competitions run by Erewash School Sport Partnership (SSP) (all year groups).
- Gained School Games Mark Gold for the third consecutive year
- Developed school football teams (Yr 5/6) and entered festivals and competitions to an incredible degree of success both as part of the ESSP and around Derbyshire in independent leagues and cup tournaments
- County invites for table tennis teams and individual stand-out performers to represent Derbyshire
- County Champions in Girls' football
- Level 3 qualification in Hockey
- County qualification for SEN Boccia
- Well-established basketball team and the continued development of Futsal
- Intra-school competition is strong and implemented throughout the sporting curriculum of each year group
- Mini-leaders continue to run pupil-led activities during lunchtimes with younger children to create healthier relationships with staying active on the playground
- Young Ambassadors run their own competitions and tournaments, umpiring and organising with autonomy. These pupils therefore act as role models and are extremely proactive in improving provision and giving input during assembly times with news and updates. This has definitely become a role to aspire to
- Playmakers, once trained during the first half term, work to support clubs, allowing for more opportunities for participation with larger group sizes
- Parental involvement means that we are no longer confined to the school grounds for clubs and more pupils can be accepted due to larger ratio sizes
- Links with the wider community continue to grow

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	86%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	82%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	85%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

*Schools may wish to provide this information in April, just before the publication deadline.

Note:

- 2 pupils not in attendance due to complicated behavioral issues
- 3 pupils with SEN that require 1:1 support in the pool working towards their own objectives of water safety and competence within reasonable expectations
