

Accessibility Policy and Plan

This Accessibility Policy and Plan are drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to disability in the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting on progress of the Accessibility Plan over a prescribed period.

Introduction and Aims:

At Firfield Primary School, we are committed to providing an accessible environment which values and includes all stakeholders - pupils, staff, parents and visitors, regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and respect. We aim to celebrate differences and actively promote the wellbeing of all children.

It is our aim to reduce or, wherever possible, eliminate barriers to the curriculum, fuller aspects of school life and the school environment for pupils, prospective pupils, staff, parents and disabled visitors.

This accessibility plan has been drawn up to cover a three year period. The plan will be updated annually.

The plan will contain actions to:

- ✓ Improve access to the physical environment of the school sites. We will make reasonable adjustments to the physical environment of the school and will purchase/provide physical aids to enable stakeholders to access education.
- ✓ Increase access to the curriculum for pupils with a special educational need or disability, ensuring that all pupils are equally prepared for life. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs and educational visits. It also covers the provision of specialist aids and equipment, which may assist these pupils when accessing the curriculum and other modified learning tasks.
- ✓ Improve and make reasonable adjustments to the delivery of written information to all stakeholders with disabilities. This information will be available in different formats within a reasonable time frame.
- ✓ The action plan for physical accessibility is related to a regular access audit

of the school - it might not be feasible to undertake some of the work identified during the plan's three-year period - some actions may be carried over into the development of a new plan.

- ✓ The plan will be monitored by the school governors through the curriculum committee.
- ✓ The school acknowledges the need for on-going awareness-raising and staff training on disability discrimination.

Background:

The Special Educational Needs and Disability Act 2001 extended the Disability Discrimination Act of 1995 to cover education. As a school and governing body we must ensure that our practices and policies comply with these acts alongside the Special Educational Needs and Disability Code of Practice: 0 to 25 (last updated 2020) and increase access to education for all pupils. It is our duty to make sure that:

- ✓ We do not treat pupils any less favorably for reasons relating to their needs
- ✓ We make reasonable adjustments for pupils, so that they are not disadvantaged.
- ✓ We will plan to increase access to education for pupils with physical needs.
- ✓ We will not discriminate against anyone because of differences.
- ✓ We will promote positive attitude towards all pupils.
- ✓ We will celebrate and actively promote differences in school through specialist weeks and days alongside daily teaching and age-appropriate PSHE lessons
- ✓ We will try our best to remove barriers which may discourage pupils from participating fully in all aspects of school life.
- ✓ We recognise that it is unlawful to discriminate against a pupil by excluding them for a reason related to their impairment.

Definition of Disability:

A person has a disability if he/she has a physical or mental impairment that is:

Substantial, long-term and has an adverse effect on his/her ability to carry out normal every day activities.

Principles:

Compliance with the legislation mentioned above is consistent with the school's aims, Equal Opportunities Policy and the Special Educational Needs Policy.

- ✓ Our admissions policy does not discriminate against children who may have physical needs.
- ✓ We recognise that it is unlawful to discriminate against a pupil by excluding them for a reason relating to their impairment.
- ✓ When recruiting staff, applicants will not be discriminated against.
- ✓ We recognise and value parents' and carers' knowledge of their child's needs and will work in partnership with them, consulting with them where appropriate.
- ✓ We provide a broad, balanced, creative curriculum, which is adapted to meet the needs of all pupils. This is to ensure that we overcome potential barriers to learning and assessment for individuals and groups of pupils and so that all staff are fully aware of the procedures for teaching and supporting pupils with varying needs including physical.

Action required	Lead responsibility	Resources and costing	Performance criteria	Monitor and review	Evaluation
Improving access to the curriculum					
Ongoing: Purchase new resources as needed to enable all pupils to have access to a broad and balanced curriculum	Inclusion Manager	Dependent on resources	All children are fully included in the curriculum	Inclusion Manager Governors & SLT to receive feedback Physical Impairment specialist service	
Ongoing: Up-to-date training to ensure inclusion of all children	Inclusion Manager Relevant staff CB/KMc - Level 3 SENTA training Sensory training for some TAs and teachers, including Inclusion Manager.	Specialist support - as identified for children in school. Training needs are identified and specialist teachers have been booked to provide this - costings will vary dependent on specialists. National College subscription to be used.	Training will be delivered Staff competent in strategies for a variety of areas.	Inclusion Manager Assistant Head Specialist support services Inclusion Support Advisory Team	
Explore further interventions to support varying needs of children in school - in particular, reading.	Inclusion Manager	Inclusion Manager management time.	Intervention impact assessments show interventions result in good progress. Children are receiving the best possible support from school.	Inclusion Manager Reading Lead	
Ongoing: Risk assessments to be in place to support children where appropriate.	Inclusion Manager Headteacher	Risk assessments will be reviewed annually, however changes can be made at any point	Consideration has been made to individual needs Close liaison with parents/carers for agreement and/or	Inclusion Manager Headteacher SENTAs Inclusion Support Advisory Team	

			amendment		
Improving the Delivery of Written information					
All letters to be available in large print / different colours as needed.	Office Staff	Office staff to be aware of individual needs for families	Information is shared effectively with all members of the school community	All teaching staff SLT	
Improving the Physical Environment
